## Ansible Books by Jeff Geerling

Hi everyone, think by now most of us are settling into long-term working from home routine as part of COVID-19 social distancing. Hope you and your family are healthy and safe.

If you're looking for a technical book or two to read, [Jeff Geerling just made his two books on Ansible free](#) on Leanpub until April.

I bought his [Ansible for DevOps book](#) back in February, am on

track to complete it this month. Now you can get this book and [Ansible for Kubernetes](#) for free.

Go grab the books and take your [Ansible](#) knowledge to the next level.

Stay safe!
